

KTI 凱蒂亞

CREATING THE FUTURE WITH YOU

KTI CO., LTD COMPANY PROFILE

KTI CO., LTD / JAPAN

KTI Semiconductor Manufacturing Machine Co., Ltd / CHINA

KTI Intelligent Machine Manufacturing Co., Ltd / CHINA

Our company "KTI" started operations in Japan in November 2005. Since then, our worldwide marketing activities have lasted for more than 18 years. Many customers in worldwide related industries such as semiconductor, automotive, new energy, etc. are using our products.

During this period, KTI Semiconductor Manufacturing Machine Co., Ltd. and KTI Intelligence Equipment Manufacturing Co.,Ltd

Together with KTI Japan, we operate as the KTI Group.

Our company name is an acronym for "Knowledge & Know-how, Technology, Innovation. We aim to be First One, Only One, and Best One in providing our customers with the best products and services.

KTI Group will continue to strive as a professional technology team to provide automated, intelligent, and highly efficient equipment to our global customers' production sites through joint development, design and manufacturing, installation, and service.

First One

Best One

Only One

National High-Tech Company in China

Company Philosophy:

We aim to be an international, innovative company that contributes positively to the progress of society based on the happiness of all employees.

KTI's team of engineers respects creative work, the intellectual property of our clients, and the importance of knowing that property in our daily work.
